Protection for your vehicle.

COVERAGE COMPONENTS

Gasoline/Diesel Engine

All internally lubricated parts, including: pistons, piston rings and pins, crankshaft, and main bearings, connecting rods and rod bearings, camshaft and bearings, oil pump, timing chain, gears and/or belt, rocker arms, valves, valve springs, seals and guides, valve push rods and lifters. Engine Block (covered by the failure of an internally lubricated part), turbocharger. Seals and Gaskets, within this component group, in conjunction with a covered repair.

Transmission

Transmission case and transfer case (covered by the failure of an internally lubricated part). All internal lubricated parts including: bands, clutch pack, gears, pumps, shafts, shift forks, shift rails, synchronizers, solenoids, Torque converter, bell housing, vacuum modulator, transmission mounts and transmission pan. Seals and Gaskets, within this component group, in conjunction with a covered repair.

Drive Axle

Axle/final drive housing (covered by the failure of an internally lubricated part) all internal lubricated parts, axle shafts, differential cover, universal joints and yokes, constant velocity joints and double offset joints, drive shaft center bearings, supports, propeller shafts. Seals and Gaskets, within this component group, in conjunction with a covered repair.

Power Steering

Internally lubricated parts contained within the steering box and pump housing, including rack and pinion, control valves, internal oil control seals, bearings, and shafts, steering box and pump housings, if damaged by the failure of internally lubricated parts.

CV Joints

CV Boots must not be torn at the time of failure. Lubricated joint failure only. Universal Joint (U - Joint) is not included.

Fuel System

By mechanical failure only, (electrical or mechanical) pressure regulator, metering valve and fuel injector.

Cooling System

Includes, by mechanical failure only, the water pump, thermostat, and mixture control valve.

Brake System

The following components are covered: Master cylinder, wheel cylinder, disc brake calipers, and combination valve, if damaged is caused by the failure of internally lubricated parts.

Electrical System

The following components are covered: Starter motor, alternator, wiper motor, cooling fan motor and heater blower motor, if damage is caused by the failure of an internally moving part.

Seals And Gaskets

Head gaskets, valve cover gaskets and intake manifold gaskets are covered on vehicles that have 100,000 miles or less at the time of breakdown. Seepage of seals and gaskets is considered normal wear and tear and is not covered under this contract. Any damage due to loss of fluid is not covered.

Turbo Charger

All internally lubricated parts due to mechanical failure.

Air Conditioner

The following components are covered: Compressor, expansion valve, receiver drier if damage is caused by the failure of an internally lubricated part.

Substitute Transportation

Buyer's Choice, Inc. will reimburse the Warranty Holder for the cost of a rental vehicle, only under authorized coverage repairs. Reimbursement will vary by programs.

24-Hour Roadside Assistance

Member benefits include lock-out service, battery assistance, towing service and roadside assistance. Towing coverage provides up to \$50.00 per occurrence, other benefits provide up to \$25.00 per occurrence, excluding the cost of parts, fluids, or fuels. Benefits are available 24 hours per day, everyday, throughout most of the United States. Members must contact the telephone number listed in their signed contract to be eligible for coverage. Coverage is available up to ten (10) times over the term of the contract.

Diesel

All trucks and automobiles within the guidelines of the Buyer's Choice, Inc. warranty program.

Available Terms

18 months / 18,000 miles
24 months / 24,000 miles
36 months / 36,000 miles
48 months / 48,000 miles
